After Iris kissed him and ran off eleven years ago, Camden never wanted to see her again. But Iris is back in town caring for her nieces and baby nephew, and she needs his help. Can Camden let go of their past history to help Iris with her present crisis for the sake of the childrens future well-being? * * * * *

Iriss Issues When Iris Delaneys five-year-old niece calls her unexpectedly to tell her that her baby brother has run out of diapers, Iris speeds to Savannah to find that her estranged sister, a single mother, has abandoned three kids under the age of six for who knows how long. Desperate, Iris calls Ming Wei, one of her old friends still living in her hometown, to help her track down the runaway mother. After all, Ming owns Savannah River Investigations, which has been in the news. To her surprise, Ming sends the last person she ever wants to see again Camden Call Former FBI agent and burned-out private investigator Camden La Salle is back in Savannah, and is in need of a job. Apparently, stocking grocery store shelves is beyond his pay grade. Ming Wei has just the right job for him to ease back into his PI role. Happy to get a paycheck and healthcare, Camden discovers that the client he has to deal with is his ex-girlfriend. Now hes mad at Ming for setting him up. At first its awkward between Camden and Iris, but as things worsen for her two nieces and a baby nephew, the two adults must set aside their differences to keep the children together and try to provide a somewhat normal life for them. But how can anything be normal anymore for Camden and Iris with their entire past catching up to them? Sometimes God works in ways we cannot see, and this could be one of those times. - Ming to Camden about Iris in LOVE YOU ALWAYS (Savannah Sweethearts Book 6)
