

Bearer of Light: From Jesus to the New Age of Enlightenment

The story begins with the light that Jesus sparked. A bearer of this light embarks on a perilous, centuries-long journey. His actions eventually set off a global spiritual blaze that ignites a new age of Enlightenment. On the bearers torch are six symbols that capture the law of light as it came from Jesus-six guides that illuminate the path of his journey and the journey of all seekers of divine truth. In order for this timeless traveler to carry the torch, he will himself be consumed by the eternal truth held in the light.
