

## Outback Sunset

When English actress Vanessa Forsythe falls in love with Bren Selby, her life changes forever. Leaving behind her London apartment, she becomes mistress of Amaroo Downs, a remote cattle station in Western Australia. Not only does Vanessa have to adjust to a vastly different lifestyle in the outback, she must establish her place in the Selby family. Bren's brother Curtis isn't pleased to have to make allowances for the English blow-in, while his mother, Hilary, finds it hard to relinquish her hold on Amaroo. And then there's talented country singer Nova Morrison, who resents Vanessa's beauty and charm. Vanessa succeeds in balancing her acting career with her new life in the outback, but when a family secret threatens to destroy everything she's grown to love, she must face her greatest challenge yet.
