

Man of War, A

The ability to raze cities, the firepower to dispatch entire armies, the power of a God that's what each nation entrusts to its warriors when they are placed in the cockpit of a Man OWar. And Chase Aarons is the greatest warrior of them all. But neither warriors nor their grand war machines are truly invincible. A dream of greatness fighting for his nation and its freedoms is dashed to pieces when an impossible choice costs Chase everything. Yet Fate is fickle a new life, an elite counter-terrorism team, even a chance for glory leading the noblest army in history may still await him. Soon he is ensnared in political power plays and the elite war craft that has made him a legend. A Destiny may still be had, but death and madness await those who attempt to walk along that path and few ever return from the journey whole.
