

Martin the happy octopus!: Discover his superpower!

As we grow old and leave behind our childhood, some signs of the many difficult life stage emerge through our life. These event associated with our unique characteristics, insecurities or family conflicts can be the set up for possible harassment and disqualification from others. Family and love becomes the perfect key to promote awareness and respect for diversity, specially accepting others as they are. Martin in charming ways highlights the importance of felling safe, accepted and love at home. He show us how a strong and loving family bonds help out to overcome obstacles in life, with courage and optimism. When facing life circumstances, Martin suggests us to be more proactive along with patience, love, trust, acceptance, faith courage, respect and humility, all of witch turn out to be martin superpower.
