

Mayan Intrigue: The Adventures of John and Julia Evans

The discovery of a priceless artifact puts Julia's life in great danger! From valuable artifacts to shady businessmen, the Yucatan Peninsula becomes a dangerous vacation spot for John and Julia Evans. While on assignment for the newspaper, the Evanses try to enjoy a romantic vacation among the Mayan ruins, but when Julia accidentally comes upon a couple suspicious men exchanging an item, she quickly turns and leaves but it is too late. The men have seen her. As a reporter, Julia does not easily give up and her curiosity gets them in a mess of trouble. Before John and Julia realize what is going on, they are both in danger and find themselves running for their lives through the jungles of the Yucatan.
