

MG - Guide (History of the Automobile)

ORIGINAL DESCRIPTION (1958): In this book John Christy and Karl Ludvigsen have set down not only the joy of MG ownership but a comprehensive history showing how it all began. However, they haven't stopped there. A major portion of the book is devoted to maintaining and improving the more popular variants from the TC through TD, TF, TF-1500, to the current MGA. These portions (with certain minor exceptions) were done directly from data supplied by Mr. Sydney Enever, who heads Abingdon's competition department. For those owners of the marque who are interested in continuous maintenance and improvement and what truly shames an MG owner isn't this is must reading ...
