

## Michael Breins Guide to London (Sightseeing by Public Transportation)

Michael Breins London Travel Guide helps you get to the city's top 50 points of interest easily and cheaply using London's excellent Underground system. From the British Museum to the London Eye, with this ultra-simple guide you can: ?- Discover and get to London's 50 top points of interest - or London's top 10 Must See attractions if you have limited time - Find the nearest Underground station and which lines to take - See how to exit the station and walk to the attraction - Note other nearby points of interest - View the attractions location on the official London Underground map - Get to attractions without needing wireless internet access Michael Breins London Travel Guide is compact, concise and comprehensive and is so simple and convenient to use--it is really all you need on your Kindle to get to all of London's top sights. And since it's based on Michael Breins' acclaimed travel guide series to sightseeing by public transportation, it's the simplest way to get around the world's big cities. Similar guides to Paris, Hawaii and Washington, DC are next, and many others are planned. Note: although this eBook reads just fine in black & white, it is color-coded and, therefore, best viewed in color, i.e., on Kindle desktop, laptop, and tablet viewers.
