

# Millinery Hat Making and Design - Fancy and Draped Crowns and Special-Purpose Millinery

This classic book contains a wealth of information on fancy and draped crowns in the craft of millinery, making this an excellent addition to the bookshelf of anyone with an interest in the subject. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.
