

Balthasar: A Guide for the Perplexed (Guides for the Perplexed)

In *Balthasar: A Guide for the Perplexed*, Rodney Howsare gives the reader a handle on these perplexing aspects of Balthasars thought. In the first chapter he introduces the reader to the man and his unique method of doing theology. He then moves on to explaining the basic structure and nature of Balthasars trilogy: the aesthetics, dramatics, and logic. He then deals with various theological topics: Jesus Christ, The Trinity, The Drama of Redemption, The Church and Mary, and The Last Things. A final chapter summarizes Balthasars place in modern theology and suggests further readings for the interested reader.
