

Moped City

For all his worldly travels in search of romance, police inspector SammyLoth does not have a wife to show for it. Hes not getting any younger. A rich man bought out the woman he wanted to marry. Sammy does have the friendship of Nari Lee, a pubescent prankster extraordinaire with asilly plot to marry him. He will brush off the pleas of matrimony, buthe will not allow her to end up like the women he met in neon cafes andseedy expat dives. This is Phnom Penh. This is Moped City -hometo two stroke mopeds whisking sidesaddle women from sweltering sweatshops to swanky night clubs -home to pop singer Chanda Preah, until sheran away. Sammy is to ascend the temple stairs to find Gods gift to all men and bring her back safe. He wasnt supposed to fall for her. HasSammy found love or is he just a fish in a churning sea of milk? Bright lights, dark past, all paths collide in Moped City.
