Sherlock Holmes is dead. Days after Holmes and his arch-enemy Moriarty fall to their doom at the Reichenbach Falls, Pinkerton agent Frederick Chase arrives in Europe from New York. The death of Moriarty has created a poisonous vacuum which has been swiftly filled by a fiendish new criminal mastermind who has risen to take his place. Aply assisted by Inspector Athelney Jones of Scotland Yard, a devoted student of Holmes methods of investigation and deduction, Frederick Chase must forge a path through the darkest corners of the capital to shine light on this shadowy figure, a man much feared but seldom seen, a man determined to engulf London in a tide of murder and menace. Author of the global best seller *The House of Silk*, Anthony Horowitz once more breathes life into the world created by Arthur Conan Doyle. With pitch-perfect characterisation and breath-taking pace, Horowitz weaves a relentlessly thrilling tale which teases and delights at every turn. The game is afoot.... Read by Julian Rhind-Tutt. This audio edition also includes *The Three Monarchs*, a short story narrated by Derek Jacobi.
