

My Secret Life: Volumes I to III

My Secret Life - Volumes I to III - By An Anonymous Author..... My Secret Life, by Walter, is the memoir of a gentleman describing the authors sexual development and experiences in Victorian England. It was first published in a private edition of eleven volumes, which appeared over seven years beginning around 1888. The work itself is enormous, amounting to over one million words, the eleven original volumes amounting to over 4,000 pages. The text is repetitive and highly disorganised, but its frank discussion of sexual matters and other hidden aspects of Victorian life make it a rare and valuable social document. It has been described as one of the strangest and most obsessive books ever written. The first edition was probably printed by Auguste Brancart, in an impression of only 25 copies. In the twentieth century My Secret Life was pirated and reprinted in a number of abridged versions that were frequently suppressed for obscenity. In 1932, for example, a New York publisher was arrested for issuing the first three volumes.
