

Never Grow Up: How to be happy and fulfill your dreams?

#1 best-selling motivational book in Estonia!! The advice, Never grow up doesn't mean that you should behave like a child: stamp your feet, throw tantrums and play all day. No. This advice solely concerns your mental state, your attitude towards life. This is because your attitude and mentality are the basic things that influence your life and determine whether you can be happy and fulfill your dreams or not. This inspiring book will teach you how to live with a childlike heart as an adult. How to be someone that lives in the moment, who enjoys life to the fullest and makes their dreams come true. All happy people use childlike attitude, either consciously or unconsciously. This book contains 40 stories about the people from different walks of life, who have changed world history. For example Einstein, Mozart, Cristiano Ronaldo, Rihanna, Bill Gates, Oprah they all have childlike attitude that has helped them to fulfill their dreams. The certain thing is that the childlike attitude helps you to fulfill your dreams, whatever your profession or whatever dreams you have!
