

## The False Asian Stereotype (My Hot Steamy Asian Romance)

BASED ON A TRUE STORY: This is the story of a guy I met in my previous semester in college. Im Greek and he was Asian. I documented this story because it was the best sex Ive ever had in my life physically, mentally, and spiritually. This is the story of how one man has proven everything wrong in my life about the stereotypes of Asians and I hope I can share it with you. And no, he wasnt small. Now go download this book and read it. Warning: This story contains lots of hot scenes of a sexual nature and should only be read by adults. Preferably after dark. And in bed. 18+
