

## New Birmingham-A Recollection of Recipes

Prominent spirited visitors, guests, financiers, millionaires, and royalty could perhaps materialize and recollect their illusions or images of the restaurants recipes prepared and served to them in lavish style those many years ago. Now...conjure up or imagine an elegant dining hall with waiters floating freely in the air masquerading in white sheets serving paranormal platters by parading poltergeists. What a drop-dead sight for frightened eyes...apparitions appearing nightly, hoping to materialize...from their ghostly, deadly, ghastly, disguise...until the early morning sunrise!
