

## Monica of Spanish Royalty: another previous life of Monica Gonzales

Lord Phillip Gonzales marries a much younger woman, and makes her his Lady. She bars him from her bedchamber, and sends him packing to his three mistresses with a firm vow that she will pleasure herself with one more lovers than he has mistresses! Shes a virgin, and must learn from her first lover then becomes a proficient teacher! She makes a believer out of him concerning her vow, and he secretly assists her in the procurement of lovers in the hope that she will somehow find out, and reward him with her feminine favors .
