

Nirumbee - The Little People of the Ice Caves (Volume 2)

Even in this fast paced world we live in, there are still a few that choose to live their lives in the Old Way. Levy Yellow Hand is a full blooded Crow raised on the most remote part of the reservation, near Mystic Canyon, the land of the Nirumbee, the Little People. Levys connection to these Little People helps him discover the beautiful young blond named Sadie. She had been kidnapped by the Nirumbee when she was only six years old. With Levys help, Sadie finds the band of Little People who have made the Ice Caves on the Pryor Mountains their home. Levy and Sadie are living in the Old Ways on the Pryors when Levy is attacked by a grizzly bear. With the help of the Little People of the Ice Caves, Levy recovers but soon finds himself the focus of the largest manhunt in Montana history.
