

The Broken Sword: A New King Arthur Legend Begins...

After a major battle has been won at Badon Keep, life slowly returns to normal - whatever that is. Arthur has a new wife and everything appears to be going well until the past rears its ugly head. Betrayal by a legendary Knight of the Round Table has never happened before! Will fellow knights be willing to stop one of their own? Especially for the sake of a woman? Not your typical King Arthur story! The Broken Sword is a story of love and betrayal, honor and loyalty. There's no Guinevere in THIS tale! A new King Arthur legend begins and it will keep you on the edge of your seat until the last nail-biting page!
