

The Healers Touch (Thorndike Press Large Print Christian Fiction)

Lori Copeland, beloved author of more than 100 books, brings a new adventure to life in her latest novel. Lyric Bolton doesn't ask for much--just friendship and acceptance from her rural Missouri community. But her family is regarded with suspicion and fear because of her mother's sickness--a sickness of the mind that grows worse by the day. Lyric is resigned to a life of isolation and doesn't see any way out...but that's before Ian Cawley bolts into her life on a runaway stallion. As she opens her heart to Ian, Lyric dares to imagine a different life. But what will happen when he discovers the secret she holds closest of all?
