

No! I Dont Want to Join a Bookclub

Too young to get whisked away by a Stannah Stairlift, or to enjoy the luxury of a walk-in bath (but not so much that she doesnt enjoy comfortable shoes), Marie is all the same getting on in years - and shes thrilled about it. Shes a bit preoccupied about whether to give up sex - Ouch! Ouch! Ouch! - but there are compensations, like falling in love with her baby grandson, and maybe falling in love with someone else too? Curmudgeonly, acute, touching and funny, this diary is what happens when grumpily old women meet Bridget Jones.
