

Oak Trees & Angels: Gods Ministering Servants (Circle of Life Series)

Within this pages are stories of hope, stories of inspiration, stories of angels. Through the words of celebrated storyteller John W. Smith, these stories bring a warmth to the heart, a tear to the eye, and a faith to the soul. The point of this book is not so much to explain prayer, providence, or angels, or even to help you to understand them, but rather to cause you to wonder about them, and believe in them.
