

Obras, II (Letras Mexicanas) (Spanish Edition)

Este segundo tomo de las obras de Valle-Arizpe nos muestra una de las facetas mas conocidas y que mayor numero de lectores le ha ganado al tambien periodista: la de escritor de leyendas. Incluye la novela de burlas y donaires El canillitas, donde don Artemio da cuenta de su facilidad para mezclar elementos procedentes de distintos generos y epocas, y enmarcarlos en una escena historica de Mexico.
