

Obsession: The Kink, P.I. Series

For fans of the Nubian Underworld series, this first book in the gritty, new Kink, P.I. series introduces former APD detective Dominic Law who knows one thing for certain: you can never predict who or what might turn up next. Hate me or love me, I get results. When Dominic Law left the force for a more lucrative offer to run a friend's private security firm, he thought that his days of suffering as a police detective were over, and he could finally sit back, relax, and take the cases that he wanted, when he wanted. Was he ever wrong. Before he can settle into his cushy new office and flirt with his sexy secretary, Dominic finds himself entangled in the politics and rules that he thought he had left behind. A sexy detective assigned to the first case keep his eyes and hands full, while another case unexpectedly reunites him with a former partner who never forgave him for leaving the force and for leaving her. From the lustful scenes within the fetish and swingers nightclubs, to the relentless heat of the streets that he used to walk as a rookie cop, Dominic is determined to solve the cases in a libidinous underworld where the rules are different, and where nothing and no one is as they seem.
