

The Sharpest Sight: A Novel (American Indian Literature and Critical Studies Series)

Louis Owens has the storytellers gift of cutting to the heart of human drama. Wonderfully rich, full of magic and people who are magically alive, *The Sharpest Sight* is a fine novel that should be read by all who seek to understand the American Indian search for identity.-James Welch, author of *Indian Lawyer*, and *Winter in the Blood*. He writes with conviction, heart, and insight, and his novel, populated with complicated, passionate men and women, provides an insiders view into a rich fictional world.-Michael Dorris, author of *A Yellow Raft in Blue Water*, and *The Crown of Columbus*, with Louise Erdrich.
