

Corvette Black Book 1953-2009

With 50-plus years under its belt, Chevrolets Corvette is one of the worlds longest continually produced sports cars. Six generations of cars have produced a dizzying variety of combinations, from the original Stovebolt-6-powered version to big-block 60s bruisers to todays sophisticated C6 road rocket. Corvette Black Book is the perfect companion volume for the dedicated Corvette fan. Every shred of Corvette data of note resides in these pages including options, colors, stats, facts, history, prices, codes, serial numbers and more. An indispensable reference!
