

The Penny and The Prayer

The passionate quest of a family to escape poverty and find purpose. Ralph seeks sons, Ryan, the violent soldier, seeks deliverance and Rosie, the feisty intellectual, seeks to fulfil her life as an empowered woman. Destiny, the size of a penny, follows them on their journeys through the war torn streets of Cardiff, the Latin Quarter of Paris, the jungle of Malaysia, to the Equatorial Forest of Central Africa. Rugged violence marries with love, devotion and prayer in this literary adventure.
