

Pentecost: This Story is Our Story

Robert Menzies, writing in the lucid, moderate style for which he is well known, skillfully explains Pentecostal theology. His answer for the uncertain and the confused is a skillful melding of sound hermeneutics, solid exegesis, and heartfelt testimony. Pentecost demonstrates that the Pentecostal experience is by far the best twenty-first-century expression of Luke's distinctive vision of the Spirit-baptized church in mission. This book is a heartfelt invitation for all Christians to be open to a new filling of the Holy Spirit of Jesus so He can continue to do immeasurably more for and through mere human beings than any of us can ask or even imagine!
