

Shelby GT40: Shelby American Original Archives 1964-1967 Including GT40, Mk. II, Mk. IV, and More

Official Shelby American team photographer, Dave Friedman, presents rare color photos that chronicle the entire unknown story of the development, production, and racing of Carroll Shelby's famous Ford GT40. From Shelby's California shop and early test sessions to the victory stand at Le Mans, it's all here in historical photographs and the words of race legends such as Carroll Shelby, Dan Gurney, Bruce McLaren, A.J. Foyt, Bob Bondurant, Mario Andretti, Chris Amon, Carroll Smith and more. You did a hell of a job with this book, Carroll Shelby. I loved it, - Carroll Smith.
