

## Pokeweed and Mrs. Gasp

For permission to perform either script found in Pokeweed And Mrs. Gasp you are required to purchase the Production Pack. In addition to including 6 scripts at a reduced rate for the director and major characters, you receive permission to make photocopies of the script for minor characters and your technical crew and a Performance Licensing Agreement. The Performance Licensing Agreement is used to pay the Royalty fee(s) and is due two weeks prior to performance(s). The Production Pack price does not include the Royalty payment. The point of view in these three one-act plays is decidedly southern. Many of Ms. Higmans characters would have felt right at home in a William Faulkner novel. Actors will enjoy getting their teeth into these parts. There is not a throw-away role among them. While not overly religious, each script reflects societys need for understanding, honesty, and unconditional love.
