

Americas Favorite Cars (Americas Favorites)

Americans have had a love affair with the automobile since the first moment the Model T took to the road. Always symbolic of what's new, what's fast, and what's hot, Americans think of their cars as an extension of their own style and character. This marvelous volume celebrates the beauty, the power and the freedom that cars evoke in our national psyche, with breathtaking photographs that will thrill enthusiasts and backseat drivers alike. Mustangs, Corvettes, pickup trucks or Cadillacs, everyone will find the car that defines them--or fulfills their dreams--in this spectacular collection of Americas favorite cars.
