The New Hunter..... Orzo, a young tiger, finds out that his father was killed by a human. He soon finds himself training with older tigers to replace his fathers position as the head hunter. Will Orzo be able to use his skills and be as great of a hunter as his father? Speed Demon..... Cameron is a quiet car who is taunted by Duke, a very obnoxious vehicle. Used to the teasing, he learns to simply ignore it. Then one day, his father, Anthony, convinces his son that he can easily beat Duke in a race. Cameron, not so sure of his ability, contemplates whether to compete against his bully. Sadielene..... A little girl is taken to another world, being told that she has the power to save the villagers. Even though Sadies grandfather lost his life in a fight against the evil Nездarian, she finds the courage to enter their world. When Sadie is confronted by the evil man, she is terrified. Will she be able to save an entire world?
