

Prayer-Cushions of the Flesh: Film tie-in edition

The women of harem are teaching the new sultan how to die through love. From a publisher committed to literary fantasy comes a work worthy of the category from Robert Irwin whose knowledge of Arab culture allows him to fabricate an Arabian Night that is memorably erotic and very funny. Homosexual giraffes, congress with crodiles, a phalomancer who has a sideline in vulvascopy - what a curious cornucopia! Wonderful! Brian Case in Time Out A feminist erotic novella with the sultan the plaything of the harem. Erudite and zany and wonderfully funny.
