

Perfect Ending: Why Your Eternal Future Matters Today

What Does Christ's Return Have To Do With Your Life Today? Do you consider yourself a premillennialist? When it comes to the end times, do you believe everything will just pan out in the end? It's easy to slip into apathy when it comes to Christ's return, especially since many people in recent years have falsely predicted the end of the world. The danger of false predictions is that they discourage us from preparing for the actual event that will happen and does matter right now. As popular Bible teacher Dr. Robert Jeffress shows in *Perfect Ending*, we may not know when Christ will return, but the Bible offers many details about what the end times look like. Understanding these biblical prophecies not only gives us greater peace about the future, it draws us to God in the present. Strengthen your biblical knowledge and your spiritual life through this powerful look at the future God promises for every follower of Christ.
