

I Loved You All: A Novel

A New York Times Notable Book of the Year--now available in paperback. When Marguerite Daigle, a seventh generation lapsed Louisiana Catholic, develops a drinking problem, her eight-year-old daughter Penny runs wild, and her teenage daughter Mahalia flees into the arms of a fanatical right-to-lifer, Isabel Flood, who provides the structure Mahalia has been craving. With a tension that builds from the first page, *I Loved You All* is a lyrical, funny and moving portrait of family life and of the peculiarly American politics of abortion rights.
