

Daddy, How Do You Know?

I just want you to know that your book is so precious. There have been moments I'm laughing, and then the next I'm crying.-Tanisha L. Roebuck, Attorney, Treasure Enterprises, Orlando
Written in a style that is part personal journal and part life manual to be discovered later by his young son, Step Jones demystifies the process of our development into thoughtful human beings, explores his discoveries about what success is, and reveals for us all his strategies for achieving dreams in a diverse world of ever-quickenning change.-Doug Lytle, Attorney at Duckor, Sprading, Metzger, and Wynne, San Diego
Take a trip with Step Jones as he explains life to his son, including topics such as:
Why were here on this planet
How to combat panic and fear
Why it is easy to be great
Sex and relationships
Why everyone goes to heaven, even your dreamkillers
And much more!
