

Random Acts of Kindness

[Read by Cassandra Campbell] A new novel of womens friendship from the author of *The Proper Care and Maintenance of Friendship* and *Friendship Makes the Heart Grow Fonder*. --With the remnants of her past rattling in the trunk of her Chevy, Jenna Elliott abandons her Seattle home, determined to start life fresh. Her journey compels her to the door of two friends: Claire, an ex-Buddhist nun and cancer survivor, eager to escape her overbearing family for what may be her last chance to fulfill a dusty dream; and Nicole, a professional life coach who cant even control her own teenage son. But what starts out as an impulsive road trip soon becomes an inexorable journey to their past as the women grapple with who they were, who they are, and the strange twists that have now set them on the road to their hometown of Pine Lake.
