

## Ravenous Bliss: new & selected love poems

For more than four decades, James Bertolino has been writing love poems, poems of bliss so musical and urgent, so nuanced and bold, they're ravenously ecstatic. These love poems draw nectar/ from the fractures. They join all small and large lives with what lifts/ us toward the sun. What a boon to have Bertolino's love poems both selected and new in this one luminous collection. ~ Paulann Petersen, Oregon Poet Laureate and author of Understory
