

The 50 Greatest Love Letters of All Time

If a picture speaks a thousand words, a love letter speaks a thousand more . . . Even in this age of e-mail, faxes, and instant messaging, nothing has ever replaced the power of a love letter. Much the way light displays every color when passed through a prism, love letters express the spectrum of our emotions, offering a colorful glimpse into the soul of the writer, and of the writers beloved. For passionate readers and lovers of words, a letter is irresistible. Internationally renowned collector David Lowenherz sifted through hundreds and hundreds of historical and contemporary epistles and selected the most ardent, witty, whimsical, sexy, clever, and touching letters for this inspiring collection. Unlike interviews or biographies, these letters give us marvelous insight into the lives of some of history's most famous lovers and provide intimate glimpses into the hearts of some whose fervent or amusing expressions of devotion will come as a great surprise.
