

Colleges civil engineering textbook series: Civil engineering and architectural design graphics problem sets (with a)(Chinese Edition)

Paperback. Pub Date: 2002 Pages: 380
Language: Chinese in Publisher: Tianjin University Press colleges civil engineering textbook series: Civil engineering and architectural design graphics is based on the Ministry of Education in 1996 to develop the colleges of engineering undergraduate Descriptive Geometry and Civil Engineering Drawing Teaching basic requirements for written and summarizes years of teaching experience in reform. supporting the use of the textbook body composition and expression. Journal of Civil Engineering textbook series: Civil engineering and architectural design graphics consists of 10 chapters. including: the basic knowledge and skills of drawing. freehand drawing techniques preliminary. the basic knowledge of the architectural modeling and architectural design. building construction drawings. construction drawing equipment construction plans. road co...
