

Regenerations / Regenerations: Canadian Womens Writing / Ecriture des femmes au Canada

Buttressed by a wealth of new, collaborative research methods and technologies, the contributors of this collection examine womens writing in Canada, past and present, with 11 essays in English and 5 in French. Regenerations was born out of the inaugural conference of the Canadian Writing Research Collaboratory held at the Canadian Literature Centre, University of Alberta, and exemplifies the progress of radically interdisciplinary research, collaboration, and publishing efforts surrounding Canadian womens writing. Researchers and students interested in Canadian literature, Quebec literature, womens writing, literary history, feminist theory, and digital humanities scholarship should definitely acquaint themselves with this work. Contributors: Nicole Brossard, Susan Brown, Marie Carriere, Patricia Demers, Louise Dennys, Cinda Gault, Lucie Hotte, Dean Irvine, Gary Kelly, Shauna Lancit, Mary McDonald-Rissanen, Lindsey McMaster, Mary-Jo Romaniuk, Julie Roy, Susan Rudy, Chantal Savoie, Maite Snauwaert, Rosemary Sullivan, and Sheena Wilson.
