In need of relationship advice? No need to go to a marriage counselor. Youve come to the right place. Youll never need to read another relationship advice book again! Dating advice comes in all shapes and sizes. Sometimes relationship advice comes from the oddest of places. While most children rely on their parents or friends to serve as the guiding force when it comes to romantic relationships, author Robert Riverdale relied on someone else....

Robert relied on his Drunk Uncle Jerry. And although Roberts Uncle Jerry is totally dysfunctional and completely unreliable, he is also somewhat of a relationship advice savant. If you want to be entertained while learning valuable life lessons from a semi-sober, fun loving, hell of a time then crack open a beer, and dive into this real page turner! It will be time well spent!
