

Power For Today

If there has ever been an hour that people need to be strong in the Lord and in the Power of His might, NOW is the time for it! Yet if this is possible, why are so many believers sad, sick, shackled, or suffering at the hands of an already defeated adversary? BECAUSE they do not KNOW any better! The words of Hosea 4:6 are as true today as they ever have been: My people are destroyed for lack of Knowledge. The GOOD NEWS is that Jesus Christ has provided POWER FOR TODAY! Within the covers of this book, the readers will find: 1) The promise that was made 2) The problems that are presently preventing people from this promise 3) The path that must be pursued to enter in to the potential life that is available to all believers. If the First Century Church needed to walk in the Power that had been provided for them, how much more do we need that Power in this hour? In writing this book, author Marty Foley seeks to both present the Truth regarding this Power and provokes the audience to reach out and receive this Power that can lead them into the victorious life that Jesus intends for them. Marty Foley is a minister with over thirty years of ministry experience. Having worked in numerous Pastoral positions as well as traveling as an Evangelist, he and his family have witnessed lives being changed as they encounter the Power of the Living God. Marty, his wife Melonie, and their three sons Mitchell, Micah, and Matthew presently reside in the greater Tuscaloosa, Alabama area. Together, they are the Founders of the House of Mercies Everlasting. HOME is a church with the goal of rescuing and restoring the wounded and wayward, by the Power of God, to their place at home in the Family of God.
