

Return of the Cartier Cartel - Part 2

Brooklyn empress Cartier knows the street of Brooklyn like nobodys business. In fact, she successfully built her Cartier Cartel drug ring on the code of the streets, hustling and stacking paper. However, the life of crime is wearing her down, and shes ready to quit the game when two of her Cartel soldiers are gunned down in the same streets that fattened her bankroll. Now shes hell bent on seeking revenge for her friends, and she and her most loyal set out to solve the hoods whodunit. Along the way, tempers flare and love is tested as her price steps out of line and sleeps with the enemy. Devastation reigns supreme in the streets of Brooklyn, while Cartier is constantly looking over her shoulder, wondering who will be the next to stab her in the back.
