

## Revelation: A Clearer View

While referring to Sodom, the Lord once asked, Shall I hide from Abraham what I am about to do? God chose not to hide it. In the same way, God has revealed His plan for the future of the earth and its inhabitants to our generation. The book of Revelation contains that plan. Jesus does not want us to be misled, but wants us to be prepared for his coming as a bride is prepared for her bridegroom. This commentary gives a clearer view of Revelation, assisting Gods people in a deeper understanding of His plan for the future.
