

Revelation: Death or Salvation - vol 1

Revelation can be confusing with variations of opinions and understandings. In 1995, Harold began studying the seals, trumpets, and bowls on his own. Being human and infallible, without any writing experience or theological training, he spent the next ten years researching for an answer. Harold's finished product is Revelation: Death or Salvation. His conclusion is that we can place physical events around Revelation and through it we can see a spiritual application. This is a story of an invisible war around us between Christ Jesus and Satan, angels and demons, believers and nonbelievers. For humanity, it is a battle of death and salvation where Christ Jesus and his people are victorious.
