

How to Build a 1932 Ford Street RodHP1478

The only thing better than building these awesome street rods is driving them! Step-by-step guides provide all the information needed to build show-winning 32 Ford street rods from the ground up, using modern engines and kits from today's top street rod manufacturers. In fact, many of the techniques and current resources from these handbooks can be applied to any street rod project. Including chapters on the chassis, drivetrain, electrical, body, interior, and painting, the books are well illustrated with approximately 400 photos, drawings and helpful charts.
