

CHRONICLES OF AN AMERICAN TRUCKER: Which Way is the Road to Happiness?

Ever wondered what its like to pilot a 40-ton tractor-trailer across America? Climb in, belt up and ride along as author Cliff Abbott takes you down the road to adventure in *Chronicles of an American Trucker; Which Way is the Road to Happiness?* A 30-year industry veteran, Abbott has experienced the highway as only a trucker can; accumulating a load of rib-tickling anecdotes along the way. Experience a ride down treacherous Sandstone Mountain, without brakes. Find out what really happens in those weigh stations along the highway. Meet some legendary truck-driving characters, like Twister, connoisseur of homely women, and Billy, the shotgun-wielding garbage man. Conduct a little roadside business with Buford, the terrible Texas trooper, complete with Smokey-Bear hat, mirrored sunglasses and a sour disposition. Or, chat with Barney, the diminutive security guard with a big, big attitude. Enjoy some fried chicken gizzards and strawberries while stirring up trouble on the Citizens Band radio. But, once youre parked, be careful when you answer that knock on the door. It might be one of those truck-stop prostitutes, known to drivers as Lot Lizzards. Come on into the office for a whole nother perspective of the American trucker. Learn what the job is really like, on-duty and off. Hear some of the incredible excuses offered by the few prospective drivers who dont make it past the drug test, including Merle, the love-crazed student. Chuckle at the sometimes adversarial relationship between drivers and dispatchers, or drivers and recruiters. Like the job, *Chronicles of an American Trucker* isnt all laughs. Theres some serious advice, too, about how a driver can, and should; check his or her own background before applying for a job. Theres commentary that will make you angry at the unfair treatment of truckers mandated in the current CSA program by

the U.S. government. You might even shed a tear for a young lady walking on a cold, cold night. When you reach the last page, you'll know what every trucker knows; the joy is in the journey.
