

The Unfinished Church: Gods Broken and Redeemed Work-in-Progress

I love Jesus but hate the church. We hear this kind of talk all the time, but what if its profoundly mistaken? Rob Bentz challenges readers to rethink this popular yet ultimately harmful mentality. Drawing on his experience as a pastor, Bentz helps those disenchanted with the church to rediscover its importance for the Christian life by examining the biblical, theological, and historical reasons why Christs followers should embrace gospel-centered community even when its hard. Honest yet hopeful, The Unfinished Church provides an encouraging look at Gods ultimate building project: his church.
