

Family Man: The Art of Surviving Domestic Tranquility is a book for men, about men. It's also a book for women, about men. But don't worry, guys. It doesn't give away all your secrets — Just most of them. Family Man is the kind of book that you can curl up with in a corner and enjoy all day. It's also the kind of book that you can leave in your bathroom's magazine rack to be enjoyed periodically during those special alone times. It might even come in handy in case of a toilet paper emergency. That's why we made the pages so soft and pliable. But most of all, this book isn't about just any family, it's about your family. And if you call yourself a family man, then you need to read it, or at least your wife needs to read it and tell you what's in it and perhaps hit you over the head with it from time to time. That's why we made the cover so hard and durable.

US Army Rager handbook Combined with, TRAINING RANGES, US military manual and US Army field manual, Farbatlas Wildkrankheiten (German Edition), The Muse in Mexico: A Mid-Century Miscellany, Lilys Ride: Rescuing her Father from the Ku Klux Klan, Lydia Cabrera and the Construction of an Afro-Cuban Cultural Identity (Envisioning Cuba),
